

*"Liberty and Equality are the essential rights that man in his original and primitive perfection received from nature.*

*Property struck the first blow at Equality; political society of Governments were the first dispossessors of Liberty: the supporters of Government and Property are the religious and civil laws; therefore to reinstate man in his primitive rights of Equality and Liberty, we must begin by destroying all Religion, then all Government, and finish by the destruction of all Property."*

*—attributed to Adam Weishaupt, founder of the Bavarian Illuminati*
